## **Workshop: Algae, Algae Everywhere (Spring edition)**

**Workshop Leader:** Paul Hamilton,  
**Location:** Canadian Museum of Nature, 1740 Pink Road,  
Aylmer, Quebec  
**Date:** Sat., May 28, 2011 (10:00am to 4:00pm)  
**Cost:** Free  
**Limit:** Ten participants

**This Algae, Algae Everywhere workshop is open to anyone interested in identifying freshwater algae and will focus on algae related problems in the Ottawa/Gatineau region. Participants will conduct microscope work, examining samples collected by myself or samples brought in by the participants. There will also be discussions on current issues of toxicity and general water pollution.**

**All equipment necessary for the workshop is supplied.**

**To register call: Paul Hamilton (613) 566-4228**

**Email: [phamilton@mus-nature.ca](mailto:phamilton@mus-nature.ca)**

**This open workshop is sponsored and funded by the Rideau Roundtable and the Canadian Museum of Nature.**
